EAGLE®
A Quality Product

Tube Forming Machinery

EAGLE®
A Quality Product

16.0456-SP
Automatic Easy Set 3 In 1 Tube Forming Machine
-3 Functions In One Machine
Strip Cutting, Straight Pulling, Tube Forming

16.0513-SP
Channel Cutting Machine
- With Special Chamber

16.0471-SP
3 in 1 Electric Tube Forming Machine
- Coil Forming and Straight Pulling
- With In-built Strip Cutting System
- With Italian Motor & Italian Gear Box

16.0371-SP
Eagle Hollow Chain Link Making Machine

16.0301
Manual Tube Forming Machine
- Hand Powered with Gear Box
- Big Model Also Available for Quick Production

16.0261-P
Oval Plain Spindle

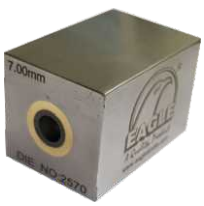
16.0261-G
Oval Grooved Spindle

16.0251
Round Grooved Spindle

16.0252
Double Size Spindle

16.0209

16.0201
Tube Forming Dies
Standard Dies
Diamond Polished Inside



16.0207
Carbide Dies
Carbide Core For
Long Lasting Accuracy

16.021121
Hollow Tube Twister Dies
- Make Creative Designs On Soldered Hollow Pipes

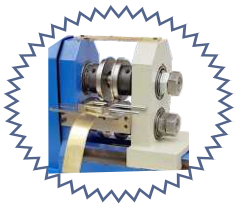
16.0271
Hollow Chain Spindle

Tube Forming Machinery

EAGLE
A Quality Product

16.0181-SP

Automatic Electric Strip Cutter Machine
- With HMI Drive Easy Set System
(Thickness Strip Cutting up to 0.7 mm)



16.0151-C

Electric Strip Cutter Machine
- Available With or Without Speed Controller
(Thickness Strip Cutting up to 0.5 mm)

16.0163-C

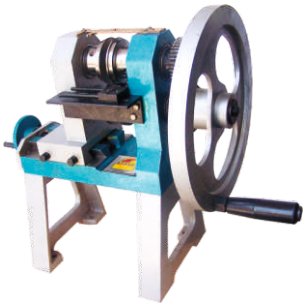
Electric Strip Cutter Machine Heavy
- Thickness Strip Cutting Up To 1.5 mm to 2.5 mm

16.0071-SP

Pipe Design Machine
Multiple Design

16.0196-SP

Eagle Gold & Silver Sheet Cutter Machine
(Thickness Strip Cutting One Side up to 6 mm)



16.0102

Manual Strip Cutter Machine
(Thickness Strip Cutting up to 0.5 mm)

16.0503-SP

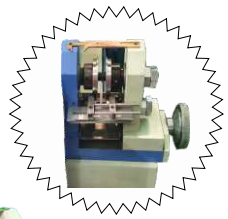
Tube/Hollow Pipe Cutter Machine
- For Coil Cutting
- Dust Collection Box (Optional)

16.0507-SP

Straight Pipe Cutter Machine
- For Straight Pipe Cutting
- Dust Collection Box (Optional)

Soldered Pipe Making Machinery

EAGLE®
A Quality Product



16.0026-SP
Hollow Pipe Making Machine
- With In-built Strip Cutting System
- Automatic Soldering System
- 5 Roller System
- *Pipe Size : 3.75, 5, 7, 9, MM*

16.0023-SP
Hollow Pipe Soldering Machine
- With in-built Strip Cutting system
- 2 Roller System
- *Pipe Size : 5, 6, 7, 9, 12, 16 MM*

16.0209
Turkish Type Die

16.0201
Shaped Pipe Making Dies

16.0560-CF
Electric Drawbench With In-built Annealing System
- For Uniform Annealing (Heat Treatment)
- For Re - sizing & Re - shaping Soldered Hollow Pipes By Drawing Through Dies Or Pattern Heads

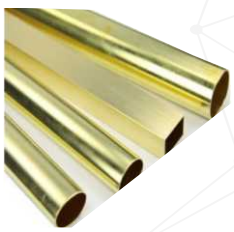
16.0056-SP
Eagle Pipe Pointing Machine

80.1102
Pipe Finishing Carbide Dies

54.0501-SP To 54.0506-SP
Light Weight Hollow Ball Making Machine

16.024101
Eagle Tube Shaping Head

16.024141
Eagle Pattern Texturing Head & Design Collet



Threading Machinery

EAGLE®
A Quality Product

80.6107-SP

Threading Machine For Continuous Deep Thread South Screw / Nose Pin
- For making Earring Pins

80.6186-SP

Automatic Pointing & Cutting Machine
- For South Screw & English Screw
  Many Type of tap available

80.6106-SP, 80.6110-SP

Threading Machine
(Thread+Plain) ***English Screw***
(Semi Auto & Fully Auto)
Half & Deep Thread

80.6181-SP

Automatic Pipe Inside Threading Machine

80.6161-SP

Semi Automatic Inside
Pipe Threading Machine Left/Right

Coin Making (Cutting/Stamping/Minting) Machinery

EAGLE®
A Quality Product

Design Cutting

60.1412, 60.1415, 60.1420, 60.1419

High Speed Die Cutting Press
- Push Button Leaver System
- Available 5 Ton, 10 Ton, 20 Ton

60.0334, 0335, 0336, 0337-SP

Hydraulic Press "H" Type
- Manual Lever System

Embossing Coinminting

60.045408, 0457, 0459, 0461-TP-AI

Hydraulic Press "H" Type *Coin Embossing*
- Auto Inject System
- Push Button Automatic Stroke System
- Electric Control Panel
- Available 25 Ton to 350 Ton Models

60.1027 and 60.1032

Hydraulic Press "C" Type
- Push Button Automatic Stroke System
- Electric Control Panel
- Available 20 Ton / 40 Ton Models

60.0345-SP

Stamping (Thappa) Dies Embossing Compact Hydraulic Press
- Available 25 Ton Model

16.0601

Hydraulic Biscuit Cutter Cum Bangle Design Die Press

Coin Dies

Biscuit Die

* Auto Injector Control Facility, Electric Control Panel & Safety Guard / Sensor Available on Request Size Available as Per Customer Requirement.

Coin Making (Cutting/Stamping/Minting) Machinery

EAGLE
A Quality Product

Embossing
Coinminting

60.045408-TP-AIF

Automatic Feeding And Stamping Coin Making Hydraulic Press - 80 Ton

60.0461-TP-AI

1 KG Silver Coin/Biscuit Automatic Machine
350 Ton Electric Auto Inject Hydraulic press

60.1415-TP-F

High Speed Die Cutting Press With Auto Feeder

- Push Batton Type Lever

India's Well Known "EAGLE" Brand

Manufacturer & Exporter In 80+ Countries

Sand Blasting & Dull Machinery

EAGLE®
A Quality Product

26.0844
Sand Blasting Machine
With de-Moisturizer & clear Vision

Frosting Media

26.0824-SP
Sand Blaster Compact Model
- Micro Dull Pen for Dull on Specific Designs Only
- Vacuum Suction System for Clear Visibility Inside Work Chamber
- Heating & Moisture Remover System for Uniform Effect
- Compact Model for Less Space require

26.084411-TP
Sand Blaster Heavy Model
- Micro Dull Pen for Dull on Specific Designs Only
- Vacuum Suction System for Clear Visibility Inside Work Chamber
- Heating & Moisture Remover System for Uniform Effect
- Big size Chamber for work comforts

26.0836-SP
Sand Blaster for Micro Dull
- Dry and Wet Both Media in 1 Machine (2 in 1 System)

26.0835-SP
Water Sand Blast Machine
Heavy Duty

26.0832-SP
Water Sand Blaster
- Big Chamber Size

59.0408
Ball Dull Machine
- Quick and Uniform Diamond Dull on Balls

Double Head Roll Press Machinery

EAGLE®
A Quality Product

64.5902-C

Eagle Supreme Heavy Duty 6" X 3"
Double Head Rolling Mill
- With Speed Controller Drive
- Automatic Lubrication System
- *D2 Roller*

64.5776-SP And 64.5766-SP

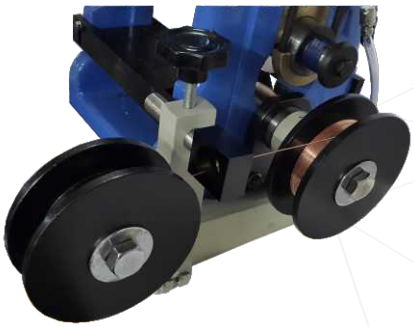
Double Head Rolling Mill Premium Model
- Available Roller Sizes 6″ x 3″ and 5″ x 2.5″

Carbide Roll

Optional
Round Wire Drawing Attachment
available for all
Double Head Electric Rolling Mills

64.5779, 64.5786, 64.5787-TP

Double Head Big Size Heavy Duty Rolling Mill Premium Model
- Available Roller Size 6″ x 4″, 8″ x 4″ and 8″ x 5″



64.7111

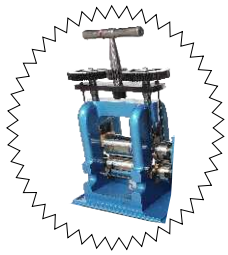
Round Wire Making Attachment

64.5706, 64.5716, 64.5726

Double Head Rolling Mill Standard Model
- Available Roller Sizes 4″ x 2.25″, 5″ x 2.5″ and 6″ x 3″

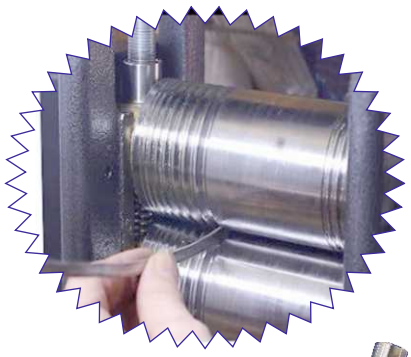
Single Head Roll Press Machinery

EAGLE®
A Quality Product



64.5503, 64.5533, 64.5563

Single Head Standard Rolling Mill
- Stand Model
- Available Roller Sizes 4" x 2.25", 5" x 2.5" and 6" x 3"



64.5812-TP, 64.5815-TP, 64.6112-TP

Single Head Big Size Heavy Duty Rolling Mill
- With Emergency Break & Oil Lubrication System
- Available Roller Sizes 6" x 4", 8" x 4", and 10" x 5"

64.5689-SP

Eagle Special 3" Electric Rolling Mill
- Specially Designed for Design Work
- SGI Casting Body

64.6912

Eagle Table Top Double Head Rolling Mill 5" x 2.5"

Optional
Available Standard / Customized Patterns
Side Rollers (Collets) for all models of Rolling Mills

Wire Drawing Machinery

EAGLE®
A Quality Product

80.0412-C
Bull Blok Wire/Pipe Drawing Machine

80.0301-C
6 Pass Wire Drawing Machine
(Optional Speed Controller AC Drive)
9 Pass & 12 Pass Also Available

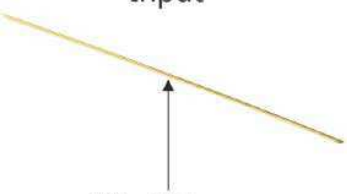
80.0203
Single Pass Wire Drawing Machine
- With Reverse & Forward

16.0581-SP
Automatic Jump Ring Making Machine

80.1102
Wire Drawing Dies
- Available with Diamond or Carbide Dies
- Available in SS or Brass Body

Wire Thickness
02.00 MM

Input



Wire Thickness
0.20 MM (Reduce Gradually)

Output

Jewellery Casting Machinery

EAGLE®
A Quality Product

25.0550-SP

3 in 1 Bottom Pouring Induction System Vacuum Casting Machine
- Melt, Mix and Cast (3 in 1)
- SS (Stainless Steel) Chamber
- Vibration System for Accurate Debubling
- Available 500 Gms. / 1 Kg. Gold Capacity

25.053100-SP, 25.53200-SP, 25.0534-SP

3 in 1 Bottom Pouring Vacuum Casting Machine
- Melt, Mix and Cast (3 in 1)
- SS (Stainless Steel) Chamber
- Vibration System for Accurate Debubling
- Available 1 Kg. / 2 Kg. / 5 Kg. Gold Capacity

25.0506-SP, 25.0507-SP, 25.0509-SP

3 in 1 Manual Pouring Vacuum Casting Machine With Furnace

- SS (Stainless steel) Chamber
- Vibration System For accurate Debubling
- Available 1 kg./ 2 kg./ 5kg.Gold Capacity

25.0441

Automatic Flask Unbedding and Casting Tree Cleaning Machine
- Flask Cleaning and Casting Tree Cleaning (2 in 1)
- Automatic Cleaning System Saves Labour Cost & Time

26.0830

Vapor Honing Machine (Pickling Machine)

Jewellery Casting Machinery

EAGLE
A Quality Product

25.0216
3D Printer

25.0401 and 25.0411
Water Jet for Casting Tree Cleaning

25.0551 to 25.0560
Burnout Furnace Digital with Programable Step Timer
- Optional Wax Elimination Tray
- Optional Air Circulation System

25.0202
Digital Wax Injector

25.0121 to 25.0123
Digital Vulcanizer (Die Press)
- Available in 3 Different Platform Sizes

25.0271
Diamond Setting Machine on Wax Models

25.0208
Digital Wax Injector
- Imported Model
- With Auto Clamp System

Laser Machinery

EAGLE
A Quality Product

48.4110, 48.4106

Eagle Laser Cutting & Marking Machine
- Available 100W, 60W

48.4302-SP to 48.4303-SP

Eagle Laser Marking Machine
- 20W, 30W,100W Models
100W Can Also do Laser Cutting Work

48.1120-SP

Laser Welding Machine
- Available In 200W

Laser Cutting

Laser Marking (Designing)

48.5102-C, 485103-C, 48.5106-C-SP

Eagle Compact Table Top Laser Marking Machine
- Available 20W, 30W, 60W
- 60W Can do Laser Cutting Work

48.4301-12

Vise for Laser Marking & Cutting

48.4518

Rotary Laser Marking Cutting Attachment

48.4511

Additional Fume Extractor (Dust Collector)
For Laser Cutting & Marking Machine

Tumbling And Finishing Machinery

EAGLE®
A Quality Product

74.0223, 74.0224, 74.0225

Jewellery Finisher Machine
- Available 2 Models
- Specially Designed for Hollow and Casting Jewellery
- Special Models for SS or Ceramic Media

74.0101 to 74.0107

Rectangular Vibrator Polisher
- SS Body
- Available for up to 8 Kg. of Jewellery Capacity
- Optional PP / PU / Rubber Coated Tub

74.1816, 74.1826, 74.1856, 74.1876

Vibro Finishing Machine (Ball Burnishing)
- Available With or Without Auto Separation System
- Available Sizes : 40 Liter, 80 Liter, 160 Liter and 350 Liter

74.0926-SP

Eagle Electro Filo - Polishing Machine

74.1911-TP

Rapid Ball Burnishing Machine

74.0343

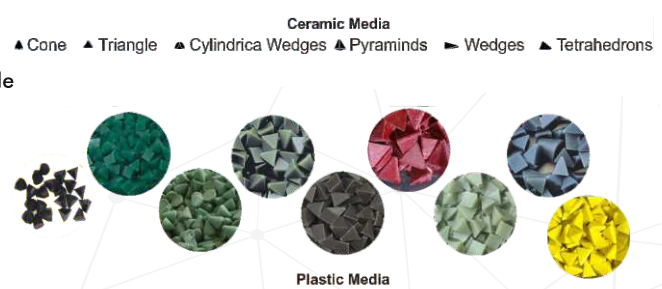
Magnetic Polisher
- SS Body
- Reverse & Forward Programable
- Available for up to 2 Kg. of Jewellery Capacity

74.0921-SP

Eagle Electro Polishing Machine

26.2101, 2106 & 2107

Vibrator Polisher Shampoo (Regular, Super Shine & Deburring)



Cleaning Machinery & Plating Machinery

EAGLE®
A Quality Product

26.0103 to 26.0125

Ultrasonic Jewellery Cleaner
- With Tap for Easy Drainage
- Available with tank capacity from 3 Liter to 25 Liter
- We can also customize machine according to special needs of users

26.0811

Ultrasonic Hand Wash
-Work with Automation

26.010321-SP

Ultrasonic Jewellery Cleaner

26.0611 to 26.0613

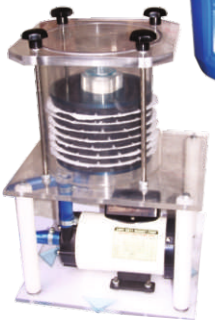
Hand Wash Basin with Gold Dust Settling Tank
- With Italian Pump Inside
- PP (Polypropylene) Body
- Available with 1 Tap, 2 Tap or 3 Tap in Basin
- With 1 Micron Filter

57.0302-SP

4 In 1 Rhodium Plating Machine
With Magnetic Stirrer System

57.0202-SP

Digital Pen Plating Machine
Premium Model



57.0101 & 57.0102
Plating Machine
Available Silver, Copper, Nickel, Gold, Plating Unit
Capacity as per Requirement

57.0209 to 57.0216
Plating's Pen & Tips
(Available Pen in Platinum Single/Double/Triple wire)

Polishing Systems With Dust Collector Machinery

EAGLE®
A Quality Product

59.0121-TP-P
Eagle Premium Double Station
Double Motor Dust Collector Cloth Filter

59.0111-SP-P
Eagle Premium Double Station
Single Motor Dust Collector Cloth Filter

59.0101-SP-P
Eagle Premium Single Station
Dust Collector Cloth Filter

59.0158
Inside Outside Floor
Dust Collection Accessories

59.0126-SP-P
Eagle Premium Double Station Double
Motor Dust Collector Four Filter System

59.0125-SP-P
Eagle Premium Single Station
Dust Collector Four Filter System

59.0141-SP-S
Filing Table With Dust Collector

Furnace Melting Machinery

EAGLE®
A Quality Product

25.1700025-SP

Eagle Induction Based Gold Melter
Table Top, (250 Gram, 500 Gram)

25.1701005-SP

Induction Melting Furnace
Single Piece, (500 Gram,1Kg, 2 Kg)

25.1721020-TP

Induction Melting Furnace With Separate Melting And Chilling Unit Two Pieces, (2Kg, 5 Kg)

25.1731100-TP

Induction Furnace
With Chilling Unit With Tilting Unit (10, 15, 20, 25Kg)

25.1801

Air & Gas Powered Furnace Table Model

25.1851-SP

Air & Gas Furnace - Floor Model
(Gold Capacity 1, 3, 5, 8, 10, 15, 20)

25.1677-SP

Premium Digital Electric Furnace
With Silicon Carbide Rod (1, 2, 5Kg)

25.1631

Melting Furnace Standard Digital Model

40.0221

Annealing Furnace Digital Model

25.1681-SP

Annealing Furnace Small Temperature UP TO 1000°

25.0551-AN

Annealing Furnace With Stand Temperature UP TO 800°

Furnace (Melting) Tools

EAGLE®
A Quality Product

25.2002

Salamander Super Crucibles

25.19CP100

Graphite Replacement Crucibles With Collar

25.19VP2525

Graphite Replaceable Crucibles Without Collar

25.2066

Clay Crucible

25.240100

Open Ingot Moulds

25.3101

Biscuit Ingot Moulds

25.2671

Iron Ingot Moulds (Molding)

25.2701-REV.

MS Crucible Tong, SS Crucible Tong, SS Crucible Tong For Collar Crucibles

26.0871

Hand Gloves White NO. 16, 18

Cutting Machinery & Diamond Tools

EAGLE®
A Quality Product

31.0561-SP

Double Head Standard Faceting And Milling Machine

31.0566-SP

Double Head Zigzag Faceting And Milling Machine

31.0501

Eagle Compact Size Double Head Faceting And Milling Machine

31.0502

Eagle Compact Size Vertical Head Faceting And Milling Machine

31.0503

Eagle Faceting & Milling Machine Horizontal Head

16.0701-SP

Bangle & Ring Turning Machine

31.0561

Accessories For Faceting Machine Only

31.0301-2-3-4

Posalux Diamond Tool

31.0202-3

Flywheel Diamond Tool

31.0101

Hammer Diamond Tool

34.0351

Diamond & Carbide Dull Pin

31.0101

CNC Diamond Tools

Bangle & Ring Machinery

EAGLE®
A Quality Product

16.1237

16.1239

16.1236

16.1236

Bangle Expanding Machine 24 Strips (Premium)
Inner Half Round Shape, Square Shape, Revolving Oval Shape, Outer Half Round Shape

16.1231

Bangle Expanding Machine 24 Strips (Standard)

16.1251
Half Round Bangle Enlarger For Extra Sizing Collet

16.1286

Bangle Expanding Machine 8 Strips

16.1501

Bangle Rounding Machine With 17 Dies

16.1311

Bangle & Ring Grooving Machine Premium Model

16.1601

Ring Rounding Machine With 12 Dies

16.0831

16.0806

Ring Enlarger Reducer Two in One Heavy Duty Model

16.0901

Ring Enlarger & Reducer With Bender

16.0991

Ring Enlarger Reducer With Bangle Expander All in One

16.1001

Table Top Ring Stretcher

16.0571

Jump Ring Maker Aluminum

Rolling Mill Other

EAGLE®
A Quality Product

64.0155

3" Compact Rolling Mills
Flat Roller Inbuilt
3 / 5 / 7 Extra Roll

64.0205

Rolling Mill Compact
Available Size 3" & 3.5", 4"

64.0423

Rolling Mill Compact
With Side Cover (USA Type)
Available Size 3", 3.5"

64.1423

Italian Rolling Mills
Available Size 4", 5"

64.5491

Indian 5" Wire &
Sheet Heavy Model

64.5496

Indian 5" Wire & Sheet Heavy
Model With Gear Box Hand Operate

64.0413

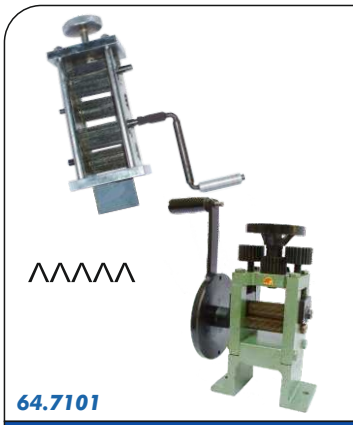
Rolling Mill Compact Premium
With Two Side Cover
Available Size 3", 3.5"

64.5103

Rolling Mill Hand Powered
Available Size 4", 5", 6"
Also Available Cover

64.5403

Rolling Mill Hand Powered
Italian Type With Gear Box Available Size 5"



64.7101

Corrugating Machine Two Roll & Four Roll
Big & Small Extra Rolls Also Available

64.7104, 7120, 7121

Corrugated Pearl Shape Dies Available
With & Without Tempering
